

BP 4103 COOPERATIVE WORK EXPERIENCE

References:

Title 5 Sections 55250 et seq.

The District offers a Cooperative Work Experience education program that integrates academic study with volunteer or paid work experience.

The Superintendent/President shall ensure that administrative procedures are written regarding work experience opportunities for students. Furthermore, the Superintendent/President shall ensure that the requirements of participation in the program are set forth in the catalog and published on the District's website.
